THE PROBLEM WITH THE WORD "VISITOR"
The term "visitor" is defined as any person who is not registered or pre-registered for classes and is not employed or temporarily employed by the University. Students are not allowed to park in areas designated for visitors. This is strictly enforced regardless of payment, purpose, time of year or driver (including family members or friends) at the time of the citation. Visitor areas are identified on signs at entrances of parking lots and on stickers affixed to meters and paystations.

Vehicles may be assigned to students regardless of whether or not their vehicle is registered for campus parking. Enforcement includes checking license plates for the registered owner information, and if there is an address affiliation, the vehicle will be identified to the affiliated person that is most likely to be on campus.

Short-term parking options for students: Your parking permit is NOT honored as payment at a meter or in a pay-by-space area. Please assure that you are eligible to park in the space (i.e. it is not for "visitors only") and provide payment.

Meters: Students may park in yellow-domed and green-domed meters ONLY. (short-term parking only). Regardless of whether or not a valid permit is displayed, meters require payment. Gray-domed meters are for visitors only.

Gutterson Pay-by-Space: Students are no longer eligible to use the numbered, hourly parking spaces located adjacent to the Gutterson Garage deck, even if payment is made, during the enforcement period of weekdays from 7:00am to 3:30pm.

Replacement of Permit/Temporary Permits: Your permit may be transferred to a different vehicle as long as it is a vehicle you are eligible to register and we are informed of the vehicle information. Permits must be displayed properly. If a permit is damaged, we offer free replacements as long as you return the permit, or parts thereof. If you do not return a permit, there will be a $10 replacement fee and you will be asked to sign a form indicating you are no longer in possession of the previously held permit. Free short-term permits are available in cases of temporary loss of your permit or use of an alternate vehicle.

Motorist Assistance: In coordination with Police Services, our department offers free jumpstarts, vehicle lockouts, and lock de-icer for individuals parked on campus. Services may be requested by contacting us at (802) 656-8686 during business hours. After hours, call Police Services at (802) 656-3473.

Be informed! Ask questions!
Don’t risk your ability to park on campus.

UVM Department of Transportation and Parking's Rules and Regulations and consideration of current campus needs govern who may or may not be eligible to purchase a parking permit and their parking assignment. When applying for a parking permit either by website or office sale, applicants must truthfully declare:

• their current and valid address;
• the permit will be for the applicant’s use only. (Under no circumstances is the permit transferable to another individual.)
• the vehicle is registered to the applicant or the applicant's parent/guardian

Willfully falsifying information in any transaction including, but not limited to, registering or attempting to register vehicles not in accordance with the guidelines stated on the permit application shall constitute a violation.

Parking permits are the property of the University of Vermont. Permits may not be remanufactured, resold, altered or photocopied under any circumstances.

Violations of rules and regulations, whenever discovered, will be addressed with ALL parties involved as ALL parties will be subject to the following:

• fees and/or towing
• forfeiture of purchased parking permits without refund
• suspension of eligibility to purchase a parking permit

A referral to the Center for Student Conduct and/or UVM Police Services may also be made and additional consequences may occur.

OK, I didn’t read the Rules and Regulations, and now know what I am doing is wrong—how can I fix it?
Immediately return the permit, still in the bag, to the Parking Office. No refunds will be given, but no further penalties will be imposed.
In the Beaumont Lot, off of Beaumont Avenue. (Yellow lot on map to right, noted with C.)

Anytime in lots designated "UVM Daytime Permit" or "Any Valid Daytime On-Campus Permit" (see examples of signs on front of brochure) including the following lots:

Gutterson Garage and Lots:
All valid, non-reserved, non-numbered parking spaces inside the garage and unenclosed lots on the upper and middle levels. Avoid nearby 'Faculty/Staff' lots, Resident lots, and pay-by-space area around the western wall on the top floor (numbered spaces only). Your permit is not valid in these areas.

Parking is prohibited on the top deck of the Gutterson Garage from November 15 through April 1 between 11:00pm and 7:00am for snow removal.

Catamount West Lot:
Near UVM Police Services, in the area indicated with EC. Avoid nearby 'Faculty/Staff' lots, Resident lots, and pay-by-space area around the western wall on the top floor (numbered spaces only). Your permit is not valid in these areas.

"3:30 Exception": Your Commuter Yellow permit allows you to park in lots designated “Faculty/Staff” during non-restricted hours (weekdays between 3:30pm and 7:00am, and weekends). This exception does NOT include lots which are designated "Faculty/Staff" in combination with "Resident". You must move your car from a Faculty/Staff lot before 7:00am to avoid getting a citation.

REMEMBER:
Students are not eligible to use the numbered, hourly parking spaces adjacent to the Gutterson Garage top deck (see map to the right, light blue area indicated with a V) regardless of payment, during the enforced time period of weekdays 7:00am to 3:30pm.
