

Be informed! Ask questions!

Don't risk your ability to park on campus.

UVM Department of Transportation and Parking's Rules and Regulations and campus needs and consideration govern who may or may not be eligible to purchase a parking permit and their parking assignment. When applying for a parking permit either by website or office sale, applicants must truthfully declare:

- their current and valid address
- the permit will be for the applicant's use **only**. **Under no circumstances is the permit transferable to another individual.**
- the vehicle is registered to the applicant or the applicant's parent/guardian

Willfully falsifying information in any transaction including, but not limited to, registering or attempting to register vehicles not in accordance with the guidelines stated on the permit application shall constitute a violation.

Parking permits are the property of the University of Vermont. Permits may not be remanufactured, resold, altered or photocopied under any circumstances.

Violations of rules and regulations, whenever discovered, will be addressed with ALL parties involved as ALL parties will be subject to the following:

- fees and/or towing
- forfeiture of purchased parking permits without refund
- suspension of eligibility to purchase a parking permit

A referral to the Center for Student Conduct and/or UVM Police Services may also be made and additional consequences may occur.

OK, I didn't read the Rules and Regulations, and now know what I am doing is wrong—how can I fix it?

Immediately return the permit, still in the bag, to the Parking Office. No refunds will be given, but no further penalties will be imposed.

"VISITOR" Parking: The term "visitor" is defined as any person who is not registered or pre-registered for classes and is not employed or temporarily employed by the University. **Student-affiliated vehicles are not allowed to park in areas designated for visitors, regardless of payment. Please note: vehicles may be assigned to students regardless of whether or not their vehicle is registered for campus parking, and may be cited if in violation. This is strictly enforced regardless of payment, purpose, time of year or driver (including family members or friends) at the time of the citation.**

Visitors must avoid "Resident" lots as they are enforced 24/7 for Resident permits ONLY. Faculty/Staff lots (those with signs at the entrances which DO NOT include the word "Resident") are available to all for parking during non-restricted hours. Please note times of enforcement indicated on entrance signs. **Vehicles MUST be moved from faculty/staff lots by 7am on business days to avoid citations.**

Visitors may pay for parking in visitor lots or spaces with their cell phone by using the "Parkmobile" app. Download the app at parkmobile.com, enter the required information (shown on the Parkmobile signs) and the length of stay. By "opting-in", visitors can receive notifications that their parking session is about to expire. Parking sessions may be extended (remotely) by phone as long as the parking session has not reached the maximum time limit. Visitors wishing to use a credit card for payment may do so at pay-to-park visitor areas which have paystations: College Street Visitor Lot, Jeffords Visitor Lot, and Gutterson Visitor Lot. These lots are also available for hourly or multi-day parking (*for visitors only*).

Replacement of Permit/Temporary Permits: Your permit may be transferred to a different vehicle as long as it is a vehicle you are eligible to register and we are informed of the vehicle information. Permits must be displayed properly. If a permit is damaged, we offer free replacements as long as you return the permit, or parts thereof. If you do not return a permit, there will be a \$10 replacement fee and you will be asked to sign a form indicating you are no longer in possession of the previously held permit. Free short-term permits are available in cases of temporary loss of your permit or use of an alternate vehicle.

Motorist Assistance: In coordination with Police Services, our department offers free jumpstarts, vehicle lockouts, and lock de-icer for individuals parked on campus. Services may be requested by contacting us at (802) 656-8686 during business hours. After hours, call Police Services at (802) 656-3473.

The University of Vermont

RESIDENT RED PARKING PERMIT

Transportation & Parking Services

38 Fletcher Place
Burlington, VT 05405

Phone: (802) 656-8686

Fax: (802) 656-6550

Email: parking@uvm.edu

Website: uvm.edu/tps

Office Hours: 7:30am to 4:00pm Monday-Thursday
7:30am to 3:00pm Friday

Our goal is to provide safe, reliable, and cost-effective transportation and parking services that facilitate convenient access to the University by students, faculty, staff, and visitors.

Revised August 2018

RESIDENT parking lots (the signs at the entrance to the lot include the word "Resident") are enforced 24/7. A permit is required at ALL times INCLUDING WEEKENDS.

Drivers will be held responsible for noting permit or payment requirements and enforcement hours on signs at the entrances to parking lots and on signs indicating pay-to-park locations.

Your Parking Permit MUST be displayed at all times.

Proper placement of permit:

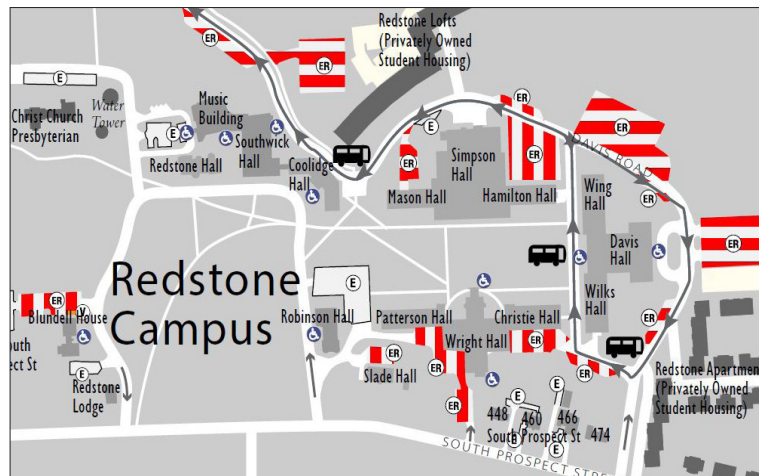

Forward-facing hang tag style permit: Commuting Students

Decal affixed to inside of front windshield, passenger side: On-campus Residents

Your Resident Red Parking Permit allows you to park in the following areas:

In all "Resident Red" lots on Redstone Campus, as indicated on signs at the entrances of lots (see example of sign on the front of this brochure). Take care to avoid "Faculty/Staff" lots which do NOT have the words: "Resident Red" during restricted times.

Your "Resident Red" permit may also park in lots designated "Faculty/Staff" during non-restricted hours (weekdays between 6:00pm and 7:00am, and weekends). **You must move your car from a Faculty/Staff lot before 7:00am to avoid a citation.**

Your permit does not allow you to park:

- In Gutterson Garage/ Lot during the enforced hours (weekdays 7:00am to 3:30pm).
- In any other residential campus, at any time.

Overnight parking is prohibited on the top deck of the Gutterson Garage from November 15 through April 1 between 11:00pm and 7:00am.

Parking Rules and Regulations

For a complete copy of the University's parking regulations, please visit our website: uvm.edu/tps. All parking regulations are enforced 24 hours a day, seven days a week using a system of warnings, citations, and/or removal of vehicles by towing.

Vehicles repeatedly found in violation of parking regulations will be assigned Habitual Offender status, subject to citation impact fees and/or the removal of the vehicle by towing.

Parking for Students with Disabilities: Students with a state disabled parking placard or plate do not need to purchase a parking permit to park on campus, but must register their placard and provide documentation from the department that issued the placard to verify ownership and validity. Students requiring temporary disabled parking must go to the UVM Center for Health & Wellbeing website to complete an application for consideration.

No longer need or are now ineligible for your parking permit? Parking Services reserves the right to invalidate any parking permit if a student is no longer active or if their address changes which makes them no longer eligible for the permit. The permit must immediately be returned to the Parking Services office for a prorated refund. Prorated refunds are determined by the date of return and no refunds are issued within the last 30 days the permit is valid. There will be no refund for unreturned permits which are already invalidated. Under no circumstances is the permit transferable to another individual.

Short-term parking options for students:

STUDENTS MAY NOT PARK IN ANY PAY-TO-PARK LOTS RESERVED FOR VISITORS ONLY, REGARDLESS OF PAYMENT. These lots include: College Street Visitor Lot, Jeffords Visitor Lot, and Gutterson Visitor Lot.

Visitor areas are identified on signs at entrances of parking lots and on signs and kiosks indicating pay-to-park areas.

Students may use short-term pay-to-park spaces which are designated with a Parkmobile sign with a green or yellow area at the bottom of the sign. Signs which have GRAY at the bottom of the sign are for VISITORS ONLY. Students may not park in visitor designated during restricted hours.

Your parking permit is NOT honored in lieu of payment in pay-to-park spaces; please assure that you are eligible to park in the space (i.e. it is not for "visitors only") and provide payment.

YELLOW AND GREEN: OK FOR STUDENTS TO PARK AND PAY

GRAY: VISITOR ONLY NOT OK FOR STUDENT VEHICLES!

BUT WHAT ABOUT MY VISITORS? WHERE DO THEY PARK SAFELY?

Please refer to the back panel of this document for guidance on the definition of a visitor and where visitors may park.
