Re: Student Nominees for the Presidential Search Committee

As you are aware I recently announced plans to initiate the search for 27th President of the University of Vermont and we must now constitute the Presidential Search Committee. The University Manual process requires that the Presidential Search Committee include “no fewer than two students on the committee…from a list proposed by the Student Government Association.” I intend to expand the representation on the Committee to include at least one graduate student.

Consequently, I am asking you, please, to identify a list of at least three graduate student nominees for membership on the Presidential Search Committee. I would like to have the names of the graduate student nominees no later than Friday, August 31, 2018. Please forward the names of the students to David.Daigle@uvm.edu with a copy to Gary.Derr@uvm.edu. The first meeting of the Presidential Search Committee is scheduled for Monday, September 10, 2018 from 3:00 – 5:00 p.m. in Sugar Maple Ballroom, Davis Center. I ask that you convey to the students this information so that they are aware of the first meeting of the Presidential Search Committee.

Thanks very much for your assistance in expediting this process. Swift action will allow us to convene the Search Committee and advertise nationally with the plan to complete the process to assure an orderly transition on July 1, 2019.
