

Visit our 2011 Trials Garden!

Join us for monthly **Trials Field Walks** for gardeners and professional growers. These free guided tours will highlight over 800 vegetable, herb and flower varieties being grown, compared and evaluated in the 3-acre HMS trials garden.

The High Mowing Organic Seeds trials garden serves as a rigorous testing ground for selecting stand-out varieties to offer through our annual seed catalog. Join us to learn and share information about growing specific crops, handling pests and diseases, and for a sneak preview of new varieties that may soon be available as organic seed!

Wednesday, June 22nd, 5:30-7:00pm

Spinach, lettuce, beets, radishes, and other spring-planted crops.

Sunday, July 24th, 3:00-4:30pm

Cucumbers, summer squash, cabbage, cauliflower, broccoli, carrots, and lettuce.

Sunday, August 21st, Kingdom Farm and Food Days, 10:00am-2:00pm

Tomatoes, peppers, eggplant, melons and more.

Wednesday, September 21st, 5:00-6:30pm

Pumpkins, winter squash, root vegetables, fall greens, and brassicas.

Trials Walks are held at the HMS trial garden on Marsh Road in Wolcott, VT. For directions: visit www.highmowingseeds.com or call (802) 472-6174.
