

## High Tunnel Berry Production Workshop

**April 26, 2011 - 9 am to 4 pm**  
**Manchester, NH**

This workshop will provide growers with up-to-date information on producing berry crops in high tunnels, and will provide research and extension personnel with information on grower's needs.

**Program:** Becky Sideman, UNH Cooperative Extension, Moderator

8:30 - 9:00 Registration

9:00 **A virtual tour of tunnels used for berries** - Kathy Demchak, Penn State University

9:20 **How tunnels affect berry plant growth** - David Handley, University of Maine

10:00 **Growing berries in high tunnels: tricks of the trade** - Kathy Demchak

10:45 **Grower panel: Experiences with high tunnel berry production**

11:30 **Berries in tunnels: which ones pay?** - Kathy Demchak

Noon *Lunch*

1:00 **Coping with tunnel insects & diseases** - Sonia Schloemann, University of Massachusetts

2:00 **Open discussion time for grower questions**

3:00 **Grower input on research and extension needs**

Two (2) Pesticide Applicator Training (PAT) recertification credits will be offered.

**Location:** Manchester is in the center of New Hampshire, located on US routes 3, I-93 and I-293, and state route 101. The Radisson Hotel - Center of NH is located at **700 Elm Street, Manchester NH** at the intersection of Elm and Granite Streets. Take Exit 5 of Route 293. Parking is available in the parking garage for a reduced rate (\$5 for the day). Most meters in the city have 2-hour limits at \$0.75/hour, but there are 10-hour meters on nearby streets.

**Cost:** \$30 per person – includes lunch.

**Questions?** Please contact Suzanne Hebert at 603-862-3200 or [suzanne.hebert@unh.edu](mailto:suzanne.hebert@unh.edu).
