

The background of the slide features a dense pattern of vibrant green leaves, likely from a mint plant, with visible veins and serrated edges. At the bottom of the image, there are soft, circular ripples in a light blue-green water, creating a fresh and natural aesthetic. The text is centered within a semi-transparent white rounded rectangle.

How we grow our own mulch

Bob & Jane Pomykala
Pomykala Farm, Grand Isle

Plant early July

✿ Mow when mature October 8

✿ Harvest when dry- November 24

✿ Transfer load

🌿 The last load

✿ Load up spreader

✿ Spread on strawberries

Come chop with me !
