UVM Extension
278 South Main St.
St. Albans, Vermont
Glenn Rogers, Peggy Manahan

Class size limited to 20 people

Who: Anyone who has the desire to do some farm bookkeeping using your computer. It’s open to all agricultural producers: Most beneficial to the new Quickbooks user. There will be tips for the user who’s using Quickbooks as a check register and not using the power of the program.

If you require accommodations to participate in this program, please let Glenn Rogers 802-524-6501 know by November 21, 2008.
