2010 Initial Certification Meeting

Review of the Core Pesticide Manual followed by the Private or Commercial Pesticide Applicators exam

April 13, VTC, Randolph
Program Overview

This program will provide training and review of Vermont Pesticide regulations and the information covered in the Pesticide Applicator Training Manual that is necessary to understand and to pass the VT pesticide certification license exam.

The Core exam will be given after this training in the afternoon from 2-5pm.

(No category exams will be given but can be scheduled with VAA for a later date.)

It is necessary to study the Core manual BEFORE the training on April 13, to have all the knowledge necessary to pass the exam. Manuals can be purchased in advance from VT Agency of Agriculture for $33.00. Call Matt Wood at 828-3482 to purchase a manual.
