

Attached are graphs showing the number of degrees obtained by students graduating with a bachelor's degree from UVM in spring 2003. The data for these graphs are from UVM records and the National Student Clearinghouse (NSC).

- We sent the NSC the names of 1,306 UVM spring 2003 bachelor's degree recipients
- NSC identified a total of 630 students who were enrolled at a higher education institution after receiving a UVM bachelor's degree.
- Of the 630 matched students, the NSC was able to report that 254 post-UVM degrees had been earned.
