

# Guidelines for Making Decisions about IEP Services

May 31, 2001 at Vermont Technical College, Randolph, VT  
June 1, 2001 at the Windjammer Restaurant, South Burlington, VT

Facilitator: Michael F. Giangreco (University of Vermont, CDCI)

## Session Objectives:

1. To familiarize participants with the resources available through this project such as the booklet, video, forms, CD, training materials, Power Points and online resources.
2. To familiarize participants with the contents of “Guidelines for Making Decisions about IEP Services” with an emphasis on section II (During).
3. To familiarize participants with some initial training activities related to the content and generate new ones.
4. To determine how participants might incorporate the content of the training in their own training and technical assistance efforts during the summer and coming school year.
