

Our Vision

Every child and youth in Vermont who requires intensive special education is welcome in her/his class and community, is taught well, and has access to needed resources for a quality education.

Our Team

The I-Team is funded by the Vermont Department of Education, with five regional offices coordinated through the Center on Disability and Community Inclusion at the University of Vermont.

Who We Serve

The I-Team provides consultation and training for teams working with students eligible for Special Education in the categories of multiple disabilities, deafblindness, autism spectrum disorders, and/or learning impairments who also meet the following criteria:

- Learn at a significantly slower rate than their peers
- Do not readily maintain learned skills
- Experience difficulty generalizing skills
- Are often nonverbal
- Are challenged in learning both academic and daily living skills.

For more information on I-Team and Referrals:

For questions about I-Team, the referral process or fee structure contact our main office at the Center on Disability and Community Inclusion, University of Vermont.

Consultation

We work collaboratively with local educational or early intervention teams, which include the student and family members, to provide:

- On-site Technical Assistance,
- Professional Development and Mentorship, and
- Family Resources/Support.

Training

The I-Team is available to conduct training on a wide range of topics including:

- Developmental Disabilities
- Intensive Special Education
- Family Centered Practices
- Leadership
- General Education Model for Supporting all Students
- Assistive Technology

Training is customized to your group's needs. To schedule a training contact I-Team Director Darren McIntyre at darren.mcintyre@uvm.edu

Assistive Technology

Assistive Technology resources are available through the A.T. Tryout Center at CDCI. The I-Team owns and loans assistive technology to support inclusive education, and to support Vermont teams, students, and families. Email cdciat@uvm.edu or call 802-656-4031.
