

Letter of Appreciation to a Paraeducator from a Special Educator

February 1, 2000

Dear Kathy, Margaret, and Peg,

I am sitting in this class, regarding working with paraeducators, and I find myself constantly wanting to share my stories about you guys and what you do for me. I try to remember to tell you that you are the ones who keep me going, make me want to come to work, but I know sometimes the time goes by without a lot of acknowledgement.

So, I want to let you know that I appreciate all your efforts, time, and contributions. We are a team and you are the best teammates a person can have. Your communication skills make my job easier. Your dedication and time spent on lessons, materials (past your regular times) is outstanding. So, thanks my friends.

Love,

Joan
