Photojournalist Dan Habib rarely thought about inclusion before he had his son Samuel seven years ago. Now he thinks about inclusion every day.

Habib's film *Including Samuel* examines the educational and social inclusion of youth with disabilities. The film documents the Habib family's journey as they work to include Samuel in all facets of their lives, a journey that transforms each of them.

This event is hosted by the Center on Disability & Community Inclusion and co-sponsored by the UVM College of Education & Social Services, UVM Interdisciplinary Leadership Education for Health Professionals, Vermont Developmental Disabilities Council, Vermont Protection & Advocacy, Disability Law Project of Vermont Legal Aid, Vermont Center for Independent Living, Parent to Parent of Vermont, Vermont Parent Information Center, Green Mountain Self-Advocates, Burlington School District, and the Vermont Coalition for Disability Rights.
