As members of the Student Life Center Staff we are committed to enhancing our student’s college experience. We believe we achieve this goal through a variety of social programming in order to foster personal and professional growth, provide leadership opportunities and encourage connectivity in a safe and creative environment. This practicum experience will focus on organizing and facilitating the College's Intramural program and will provide a HESA student with the following responsibilities and opportunities:

- **Collaborate and support the Student Life Center (SLC) Department**
  - Opportunity to develop team building and group process skills
  - Opportunity to participate in department decision making
  - Opportunity to participate in department brainstorming and strategizing
  - Opportunity to enhance understanding of group and organizational development

- **Supervise a staff of no more than 10 Student Activity Planners (SAPS)**
  - Opportunity to enhance mediation skills
  - Opportunity to develop managerial skills
  - Opportunity to integrate leadership theory to practice

- **Collaborate, train and support Champlain College student leaders and aid them in the process of creating quality weekend programming.**
  - Opportunity to work with a diverse group of students
  - Opportunity to develop strong programming skills
  - Opportunity to teach and facilitate
  - Opportunity to practice ethical decision making.
