This practicum experience will provide the intern with a generalist perspective about the critical components of the Residential Education area of a Residential Life. Components of this area include supervision of Residential Education professional staff, oversight of residence education and the conduct process, recruitment and selection of undergraduate, graduate, and professional staff, management of central issues related to the operation of the department, and participation in related activities at the student affairs division level. Interns can expect to be involved in a variety of meetings and projects. Special attention will be given to the recruitment and selection of resident advisors, summer housing, and housing terms and conditions/conduct. Determination of project involvement and area(s) of focus for the practicum experience will be mutually determined by the intern and supervisor as related to the goals and activities of the semester.
