The character '又' (yòu) is written in a vibrant red color. It features a curved top stroke that descends and crosses itself, with a long, sweeping tail that curves to the right.

+

The character '又' (yòu) is written in a vibrant red color, identical to the first character.

⇒

The character '双' (shuāng) is written in a bold black color. It consists of two '又' characters placed side-by-side, sharing a common vertical axis.
