Documentation of Varicella (Chickenpox) Disease

Vermont’s School Immunization Regulations apply to students in attendance at any public or independent kindergarten, any elementary or secondary school and certain post-secondary schools. Before school entry, students must have the required immunizations, including 2 doses of varicella (chickenpox) vaccine. However, students who have had chickenpox disease can still enroll provided this form be completed, signed and provided to the school. Please note that this form does not need to be signed by a physician or other health care provider. RETURN THIS FORM TO THE STUDENT’S SCHOOL.

This document is being submitted on behalf of the following student:
