

University of Vermont
Master of Science in Counseling

Program Planning Sheet

Student Name

Date

This form should be completed with your advisor. List the courses you will be taking each semester as you progress toward the completion of your program. Please consult the course descriptions in the Master of Science in Counseling Student Handbook. This is important as certain required courses are taught only once a year while others are taught only once every two years. Planning will reduce frustration and maximize flexibility and satisfaction.

1 st Semester	(Circle One) Fall, Spring, or Summer Session - Year ____	Credits
2 nd Semester	(Circle One) Fall, Spring, or Summer Session - Year ____	Credits
3 rd Semester	(Circle One) Fall, Spring, or Summer Session - Year ____	Credits
