NECC INBRE Linked Supplement Proposal

DE

Computational platform, workforce development

ME

Transcriptome sequencing

NH

Bioinformatics modules and platform

RI

Transcriptome sequencing and SkateWiki

VT

Genome sequencing

All States

\$10,000 Local Storage for Federated SDC

\$10,000 Workshop Travel for Students

Bioinformatics
Modules

Rate by target level

Organization by topic/time

iTunes University

Science meeting alongside skate workshop

Bring scientists in - Moate Lab, Sarasota?

Vancouver meeting for elasmobranch, August
