

## Web Format for Content of New Minors for the Catalogue

---

Instructions: Fill in the right column of the table below and include with the application for approval of a new minor. (Note that all of the information below must also be included in the narrative request for the minor.)

1.	College or School:	
2.	Department (if applicable):	
3.	Name of Minor:	
4.	Requirements for the minor.	
5.	A complete list of courses required to complete the minor but not counted as part of the minor. That is, all prerequisites needed to take the courses required for the minor must appear in this list.	
6.	A list of majors with which this minor is not acceptable due to overlap with that major.	
7.	A list of eligibility restrictions. While most minors will have no eligibility restrictions, some minors experience demands sufficient to require restricted access to that minor.	
8.	Contact person with email address for this minor.	
9.	Other Information
