UVM SUMMER INTERNSHIP FUNDING

Students can use 1 application to apply to any of the funding sources listed below. Deadline is March 21st. Once you apply to an internship you can then apply for funding. More info at: go.uvm.edu/internfund

COLLEGE OF ARTS AND SCIENCES INTERNSHIP SCHOLARSHIP
Scholarships up to $2,500 for students in the College of Arts and Sciences to cover travel and living expenses. Must be a student in the College of Arts and Sciences.

ENERGY CLIMATE PUBLIC IMPACT AWARD
Award offers $4,000 summer stipend to support undergraduate students in either the Rubenstein School of Environment and Natural Resources or the College of Engineering and Mathematical Sciences. The summer stipend is intended to support students working on energy-climate related projects with organizations including municipal utilities, government offices, and environmental advocacy organizations.

HONORS COLLEGE CAREER DEVELOPMENT AWARD
Two scholarships of up to $3,500 per student to cover travel and living expenses. Must be a student in the Honors College.

INTERNSHIPS FOR THE COMMON GOOD AWARD
Five scholarships of up to $2,500 per student to cover travel and living expenses. Preference is given for internships at mission-driven organizations.

PLOTKIN ARTS INTERNSHIP SCHOLARSHIP
Scholarships up to $2,500 for students who intend to participate in an arts-related internship. Preference is given to students majoring or minoring in one of the following arts disciplines: studio art, art history, art education, music, music education, dance, theater, or film and television studies.

PUBLIC IMPACT RESEARCH AWARD
Awards of up to $2,500 for students engaged in a research/creative internship (or internship with significant research/creative component) in the non-profit sector, with a non-governmental or governmental agency.

SAMUEL FISHMAN SCHOLARSHIP
Awards of up to $2,500 for students pursuing internships in government, policy, or service.
OTHER UVM INTERNSHIP FUNDING & FUNDED PROGRAMS

Applications and deadlines vary by award/program

CLEAN ENERGY INTERNSHIP PROGRAM
Internship program that offers paid summer internships related to clean energy. Contact Amy Seidl (Amy.Seidl@uvm.edu) for more information.

GEOGRAPHY DEPARTMENT INTERNSHIP AWARD
Two stipends of $2,500 for geography students doing summer internships. Visit the Geography Department’s website for more information.

IAN WORLEY AWARD
These awards are intended to encourage and support creativity and independent thinking in the pursuit of addressing environmental goals. Students and faculty recognized with this award will receive financial support for their proposed innovative and imaginative projects. Visit ENVS’s website for more information.

KATE SVITEK MEMORIAL AWARD
Provides funding to Rubenstein School students (who have completed their sophomore year) pursuing internships related to outdoor leadership or environmental education. Visit RSENR’s website for more information.

NEXT GENERATION FOOD SYSTEMS INTERN PROGRAM
A competitive internship program that provides paid, credit-bearing, summer internships related to food systems. Contact Matt Myers (Matthew.Myers@uvm.edu) for more information.

RICHARD BARRETT SCHOLARSHIP
The program provides outstanding Environmental Engineering students awards to pursue a specific research project under the mentorship of a faculty member. Visit CEMS’s website for more information.

RUBENSTEIN PERENNIAL INTERNSHIP PROGRAM
A competitive internship program that offers paid 12-week, credit-bearing internships for Rubenstein students. Rubenstein School students who have completed their sophomore or junior year are eligible to apply for Perennial Internships, unless otherwise noted in an individual internship description. Visit RSENR’s website for more information.

RUBENSTEIN SCHOOL INTERNSHIP FUND
Provides funding to Rubenstein School students (priority given to first year and sophomore students) pursuing unpaid or underpaid, credit bearing internship/research experience. Visit RSENR’s website for more information.
