The UVM Greenhouses spring plant selection is now live! [Click here](#) for availability and pricing.

The greenhouses and the University continue to remain closed to the public and non-essential personnel, but we are offering our customers an option to preorder and prepay for curbside pick-up, with pick-up expected to commence at the earliest on May 26th.

We are now accepting preorder orders if you would like to reserve your plants in advance! To preorder, please send an email with the following information to greenhouses@uvm.edu:

- Name
- Phone #
- Plant variety, container size, and quantity
- Please DO NOT send credit card information through email. A greenhouse staff member will contact you to confirm your order.
- Curbside pick-up details will be finalized as we get closer to the end of the Vermont State of Emergency.
- Lastly, let us know if you would like to be added to our listserv and you will be the first to receive our plant sale announcements.

Thank you so much for your support!

-David, Michelle, and Derek (The Greenhouse Team)
