

You have been accepted, now what?

1. Return your Admissions Acceptance Form that came with your Graduate College acceptance letter to the Graduate College.
2. Complete your [Certificate of Graduate Study Program Plan Form \(PDF\)](#) by the end of the first semester of enrollment in the Certificate.
 - a. Have your advisor sign the form (Gund is your default advisor if you are pursuing a stand alone certificate).
 - b. Bring this to Gund to review.
 - c. Make a copy.
 - d. Gund will give the original to the RSEN Graduate Student Service Specialist and it will be sent on for the last two signatures.
3. Get class advice – Jon, Josh, Gary, or Deidre
 - a. A short email will be sent out each semester providing information on the core courses and suggestions for courses to satisfy the competencies. If you are interested in other classes you can email Deidre, Josh or Gary for evaluation.
4. Track your courses using the [Ecological Econ Form \(PDF\)](#).

You are ready to finish

1. Complete a [Certificate of Graduate Study Completion Form \(PDF\)](#) by the thesis submission date.
 - a. Have your advisor sign this (Gund is your default advisor if you are doing a stand alone certificate).
 - b. Bring this to Gund to review.
 - c. Make a copy.
 - d. Gund will give the original to the RSEN Graduate Student Service Specialist, and it will be sent on for the last two signatures.
