

The University of Vermont
Institutional Biosafety Committee

IBC Meeting Dates for 2011 - 2012

IBC meetings will be held the second Tuesday of the month **at 3:30 PM, 217F Waterman.** If you have any questions, please feel free to contact me at extension 656-5040.

All new protocols must be reviewed and signed off by the UVM Biosafety Program Coordinator prior to submission to the IBC office. Investigators should contact the Biosafety Program Coordinator according to the chart below to allow enough time for a meeting and possible site visit to the lab. New protocols will not be considered for IBC review until this has been completed and the Coordinator has signed off on the protocol. You may submit your protocol materials to the IBC office by 4:30PM on the day of the deadline.
