

Understanding and Applying the Six Principles of IDEA

Assigned Guiding Principle: _____

Directions: Please work in small groups to discuss and reach a consensus on the following five questions:

1. Provide a definition of your assigned principle.
2. Identify and explain the historical practices and outcomes that lead to the development of your principle.
3. Discuss the purpose and provision of your principle.
4. Identify teacher and school principal duties within your principle.
5. Describe and provide examples of how your principle helps ensure that students with disabilities receive a high quality education as mandated by federal law.
