

Transitioning the IDEA Principles to IDEA Outcomes

Directions: In your groups, reflect on how your assigned principle promotes the four IDEA outcomes (equal opportunity, full participation, independent living, economic self-sufficiency). Next, design a flow chart that illustrates how your principle serves to promote each of the four outcomes. Please provide sufficient detail to explain both connections and recommendations.

A large, empty rectangular box with a thin black border, intended for students to draw a flow chart illustrating the connection between an IDEA principle and the four IDEA outcomes.
