

# **THE BIRTH OF A FULL SERVICE COMMUNITY SCHOOL: MOLLY STARK ELEMENTARY SCHOOL**

**Theodore Creighton and Franci McConnell-Roberts**  
Sam Houston State University

## **Abstract**

This module is intended for use after viewing and discussing Module One: *An Overview of Full Service Community Schools*, narrated by Dr. Dean Corrigan.

This module introduces school administrators to concepts and practices associated with a full service community school. The module is designed to educate students, teachers, and administrators how a full service community school can make a difference in student success, by becoming knowledgeable in the different components and models of a full service community school.
