Immerse yourself in English culture by taking the same university classes as students from England! This exchange program allows students to study in a broad array of academic departments at the University of Newcastle Upon Tyne. This program is open to UVM students from all academic departments who are interested in: Pre-Med; Arts and Humanities; Business and Finance; or Science, Agriculture and Engineering. Newcastle is considered to be one of the most prestigious universities in the UK. Prerequisites for Newcastle courses may apply.

The University is located 8 miles from the coast within beautiful countryside which is viewed as one of the country’s best kept secrets. The North East has some spectacular beaches as well as pristine moorland and woodland. Newcastle is developing into an important cultural center, attracting artists and tourists from all over the world. A few of the activities available for visitors include: theaters, museums, live bands, comedy clubs, shopping, and sport matches. There is a choice of residence halls (includes meals) or “self-catering” accommodation (does not include meals). The majority of accommodation sites are within a 10 minute walk of the campus and city center.
