

BSAAP

Backcountry Skiing and Avalanche Awareness Program

Application – Spring 2015

This month-long program will focus on traveling safely and having fun in the winter backcountry on skis (telemark, alpine or AT) or snowboard (split-board) while exploring prime backcountry areas of Vermont and the Presidential Range in NH. Traveling in terrain where avalanche danger exists requires disciplined personal preparation, group expedition planning, diverse skiing and riding skills, and sound avalanche and terrain assessment ability. This program will cover basic safety skills to prepare you to travel in the winter backcountry in all of its rugged beauty. The program will consist of six in-class sessions and three weekend practical trips. The first weekend will involve two local backcountry trips with an overnight at the, the second weekend will be an AIARE Level 1 Avalanche certification course and the third will be an overnight, weather permitting, in the Presidential Range of New Hampshire's White Mountains. Due to an earlier trip to Mount Washington than in previous years, the AIARE I or previous avalanche travel education will be highly recommended for the program. Participants willing to commit to the AIARE course will receive priority on their applications.

Program Requirements:

- Strong intermediate to advanced alpine, telemark, or snowboarding skills (if snowboarding, no snowshoes. split boards are absolutely required!)
- Intermediate three season backpacking experience
- Attendance at all Wednesday evening classes and all weekend practicals

Program Fee:

\$175 per student covers the sweet textbook, food, transportation, gear rentals, professional guiding and instruction. The AIARE Level 1 Avalanche course is an additional \$225. It is strongly recommended that you take the AIARE class as it is scheduled as a part of the class and is an integral part of the curriculum.

Class Meeting Dates:

Thursdays Jan 29; Feb 5, 12, 19 from 6-8pm
(Meetings are held in the evenings at a location TBA)

Weekend Dates: Jan 31&Feb1; Feb 21&22

AIARE Level 1:

Classroom sessions: 5-9pm Feb 12&13

Weekend practical: Feb. 14&15

Guide: Steve Charest

Student Instructors: Tate Colbert, Alex Pasin

Due: Friday, January 23rd by 3pm
Return to: The OC house or OC cubicle (in SGA)
Or email to tcolbert@uvm.edu

Please answer these questions on a separate page:

1. Describe your skiing/riding ability. Please discuss your history from first learning to present. Include where you have skied and any backcountry experience.
2. Briefly discuss your most recent best day of skiing or riding.
3. What is your backcountry camping experience? Any winter travel experience? (none required)
4. What are 3 qualities that you look for in a leader or hope to bring to your future Outing Club trips?
5. What do you hope to gain from this program?
6. Have you participated in any Outing Club trips or events in the past? If so, what trips/when?
7. Should you be stranded on a desert island, naked along with a large cardboard package containing two objects, what (aside from a stuffed sheep) would you want those two objects to be? Why?
8. Do you intend on leading Outing Club trips upon completion of BSAAP?
9. Please draw an abstract interpretation of yourself. Include colors and labels as necessary.

The following questions are to help instructors prepare for the course. Your acceptance will not depend upon your answers, unless you're a snowblader:

Intended Sliding Technique for BSAAP (please circle):

Alpine Ski Telemark Ski Snowboard/Splitboard Snowblade

Do you have a seasons pass? If so, to what mountain(s)? _____

Do you own any backcountry travel equipment? (climbing skins, AT bindings, Alpine Trekkers, splitboard, approach skis) Please specify:

While all gear rentals are included in the cost of the course, an additional opportunity exists to rent Black Diamond ski gear from Petra Cliffs at a cost of

\$150 for the three weekend practicals. Would you be interested in this additional rental (this doesn't commit you to anything)?
