DOING YOUR HOMEWORK: HOW TO FIND THE “RIGHT” FUNDING

A funding opportunity announcement is often the “tip of the iceberg” in terms of understanding what a funding agency is looking for. How does one gain an edge in this highly competitive funding climate? In this brown bag session we will discuss strategies for understanding and aligning your work to a funding agency’s mission, identifying areas of emerging interest, and assessing your competition. This session is primarily aimed at the needs of faculty, but may be of interest to postdocs or advanced graduate students.
