WHAT ABOUT ALL OF THOSE SUPPORTING DOCUMENTS?

Although your Research Plan is the most important part of any grant application, supporting documents allow your reviewers to assess things like the credentials of you and your team, and the resources available for completion of the project. In this session we will discuss the importance of components such as biographical sketches, facilities, resources and equipment descriptions, and letters of support.

Thursday, May 18, 2017
12:00 – 1:00 pm
427A Waterman conference room

This series of “brown bag” discussions will occur monthly (last Thursday of each month)

Full schedule:  www.uvm.edu/~ovpr/?Page=gpm_services.php

NO RSVP necessary
