WRITING THE PROPOSAL “PITCH” PAGE

The first page of your proposal, the “pitch” page, needs to capture your reviewers interest and “sell” them on your idea. It is one of the most important pages of your grant proposal, but it is often the hardest to write well. In this session, we will discuss what information to include on the “pitch” page, and how to organize it for maximum clarity.

Tuesday, March 22, 2016
