

# Grading Considerations for Final Paper

*PSS 195 Sustainable Development Film Series*

Wednesday, November 17, 2004

1. *If the paper is not in my mailbox or hands by Friday December 10<sup>th</sup> at 5 pm you will not receive any credit for the assignment. Buddy will grade all final papers.*
2. **Is your micro-thesis clearly written? Are there appropriate transitions between paragraphs? Was appropriate language used for the audience chosen? Is the paper free of common grammar and spelling errors? (10 pts)**
3. **Is an appropriate amount of authoritative *qualitative* or *quantitative* published research cited in support of thesis statement? (10 pts)**
4. **Is a strong enough case made that your reader, even if they disagree with you, would believe that there is merit to your thesis? (10 pts)**

## **Remember:**

We are here to **help**. Make appointments often and early.
