

Geol 007: Earth Hazards

Perfect Storm Assignment

For this assignment you will:

*Write a **ONE PAGE OPINION ESSAY** about **WHY** the Andrea Gail sank and **WHO** or **WHAT** was to blame.*

Your grade on this assignment will be based both on the quality and execution of your writing and on the coherence of the arguments you present. Papers shorter or longer than one page (line spacing = 1.5, 12 pt font) will be downgraded.

The strongest essays will be well written, containing no spelling or grammar errors. These strong essays will build logical arguments supported by several specific quotations from the book itself identified by page number.
