The Oxford English Dictionary……

Victorian, a.² and n.¹

A. adj.

1. Of or belonging to, designating, or typical of the reign of Queen Victoria (1837-1901).

2. fig. Resembling or typified by the attitudes supposedly characteristic of the Victorian era; prudish, strict; old-fashioned, out-dated.

3. Special collocations: Victorian Gothic adj., designating the style of architecture typical of the Gothic Revival (see Gothic a. 1d); freq. absol. as n.; Victorian-Italianate adj., designating a style of architecture revived in the nineteenth century in imitation of that of the Italian Renaissance.

B. n.

1. A person, esp. an author, who lived in the reign of Queen Victoria.

2. a. An article of furniture from the time of Queen Victoria.

b. U.S. A house built during the reign of Queen Victoria.

Hence Victorianist; Victorianize v.; Victorianized ppl. a.
