

DO YOU SMOKE?

Are you willing to stop for 12 hours for a research study?

If you are a smoker between the ages of 18-65, you may be eligible to participate in a research study at UVM!

- The study involves 2 visits to the laboratory and a total length of approximately 4 hours.
- If eligible you *may* be asked to quit smoking for 12 hours.
- Participants in the study may be paid \$40 in cash OR be given extra credit in a psychology course at the University of Vermont.

For more information or to set up an appointment, please call Teresa: 656-3831. Please mention you are calling about study #33
