

Date prepared: July, 2011

Thomas M. Achenbach

Curriculum Vitae

- Present Position:** Professor of Psychiatry and Psychology (since 1980)
President, Research Center for Children, Youth, and Families
Department of Psychiatry, University of Vermont
1 So. Prospect St.
Burlington, VT 05401-3456 Tel: (802) 656-5130; 656-2629
Fax: (802) 656-5131
Email: Thomas.Achenbach@uvm.edu
- Education:** Yale University, B.A., 1962
Major: Psychology
- Heidelberg University, 1962-63
Major: History and Political Science
- University of Minnesota, Ph.D., 1966
Major: Psychology
Minor: Child Psychology
- Honors:** Angier Prize for Research in Psychology; B.A. summa cum laude & Honors with Exceptional Distinction; Phi Beta Kappa; Sigma Xi; Woodrow Wilson Fellow (honorary); *American Men and Women of Science*; Fellow of the American Psychological Association Divisions 7, 12, 37, and 53; Fellow of the American Psychopathological Association; University Scholar Award from the University of Vermont, 1991-92; Distinguished Contribution Award from the American Psychological Association Section on Clinical Child Psychology, 1993; Institute for Scientific Information Most Highly Cited in World Psychiatry/Psychology Literature.
- Experience:** Research Psychologist, GS-15
Laboratory of Developmental Psychology
National Institute of Mental Health, 1975-1980.
- Assistant to Associate Professor, Yale University Dept. of Psychology and Child Study Center, 1968-1975; Co-principal Investigator, NIH Research Grant HD-03008.
- Director, Graduate Training Program in Developmental Psychology, and Director, NMH Research Training Grant 5T01 MH-06759, Dept. of Psychology, Yale University, 1970-71.

Experience: Social Science Research Council Senior Faculty Fellowship for work with
(cont'd) Professor Jean Piaget, University of Geneva, Switzerland, 1971-1972.

Research Staff Psychologist, Dept. of Psychology and Child Study Center, Yale University, 1967-68: Co-Principal Investigator, NIH Grant HD-MH-03008; research on intellectual development in normal, retarded, and disturbed children; clinical work in psychodiagnostics and psychotherapy.

NICHD Postdoctoral Fellow, Dept. of Psychology and Child Study Center, Yale University, 1966-67: Clinical training in psychodiagnostics and psychotherapy with children; research on learning strategies in normal and retarded children.

NIMH Predoctoral Fellow, University of Minnesota, 1963-66: Research with Professor Norman Garnezy on child psychiatric symptomatology and with Professor Harold Stevenson on children's learning strategies.

Current Interests: Developmental psychopathology; assessment of psychopathology, adaptive functioning, and social competence; taxonomy, epidemiology, and developmental course of psychopathology and adaptive functioning across the life span; multicultural research; relations between cognition and psychopathology; evaluation of outcomes.

Courses Taught: *Graduate and Psychiatric Residency*--Developmental Psychopathology; Research Concepts and Methods; Cognitive Development; Current Literature in Child Development; Issues in Developmental Psychology; Human Development; Tutorials in Psychology and Philosophy, Behavior Genetics, Piagetian Psychology, Thought and Language.

Undergraduate--Abnormal Child Development; Cognitive Development; Research Methods in Developmental Psychology; Introductory Psychology; Tutorials and individual projects on numerous topics.

Memberships: American Psychological Association, Fellow of Divisions 7, 12, 37, 53
American Psychopathological Association, Fellow
Society for Research in Child Development
International Society for Research in Child and Adolescent Psychopathology
