Used and broken cell phones can be donated to Women Helping Battered Women (WHBW). They will reprogram functional phones and recycle non-functional ones. Proceeds from the collection effort will help in providing emergency services to women and children whose lives have been affected by domestic violence. Working phones are given to families experiencing domestic violence.

Donate Your Old Cell Phone & Help Fight Domestic Violence.

DROP OFF CELL PHONES ON-CAMPUS:
@ The Davis Center
ground floor info desk
@ Police Services Dept.
located at 284 East Avenue
@ Any Techno Trash recycle bin
