If there is more than one degree associated with your selected major choose the appropriate degree and click on **Choose Degree**.

If the major you selected requires a concentration, choose the desired concentration from the dropdown menu and click on **Choose Concentration**.
If you would like to include a minor please select one from the dropdown menu and click on **Choose Minor**. You do not need to choose a minor in order to run a *What If* report.

Click on **Run Analysis**.
To see your What If report click on view submitted audits.

When the What If audit has run it will appear at the top of the View CATS Audits page.

If the audit does not display immediately, click on Refresh the List.

You can identify a What If audit by the What-If note that appears to the right of the degree program.

If What-If does not display, the audit is one for your current degree program.
Click on the degree program title to view your What If audit.
