REQUEST FOR CREDIT BY EXAMINATION
ACTIVE DEGREE STUDENTS ONLY

POLICY
The student must neither have audited, previously received a grade or mark, nor attempted a prior special examination in this course at UVM or at any other institution of higher education. Only specific University courses may be challenged. The student may not take a special examination in a course whose content is presupposed by other courses the student is currently enrolled in or has already taken. In cases of uncertainty, the department chairperson shall decide whether it is appropriate for the student to take a special examination for credit in a particular course. Upon passing the special examination, as determined by the examiner and the chairperson of the department in which the course is given, the student receives credit, but not a grade, for the course.
