3 Select Latest (all) (this is currently the only option available) and List All Requirements* and click Run Audit.

*Please note: You may select Incomplete Requirements Only or Complete Requirements Only if you wish but the List All Requirements option is recommended because it provides the most information.

4 On the following screen click on view submitted audits:

5 If your audit is not yet available click on the Refresh the List link until it is. Once available click on the report link under View Link:

**DISCLAIMER:**
This curriculum audit report tracks your progress toward completion of your degree program. It is an advising tool, not an official document. You are responsible for verifying that the audit accurately details your coursework and for fulfilling all degree requirements.

If there are discrepancies in the audit or if you have questions about course applicability, please contact Student Services.

On the bottom of the audit, there is a legend that explains the meaning of various symbols that are used in the audit. Following is an explanation of the status indicator symbols which show the completion status of the requirements and sub-requirements within the audit.

- **OK** = REQUIREMENT COMPLETED
- **NO** = REQUIREMENT NOT COMPLETED
- **IF** = REQUIREMENT IN PROGRESS
- **+** = SUB-REQUIREMENT COMPLETED (Any in-progress courses used must be completed successfully)
- **-** = SUB-REQUIREMENT NOT COMPLETED
