Vermont Ferry Study: 1996

This report focuses on five main questions: (1) Who uses the Lake Champlain Ferries?; (2) How do tourist use the east/west transportation linkage provided by the Lake Champlain Ferries?; (3) To what extent do local residents make day excursions on the Lake Champlain Ferries?; (4) How do business travelers using the ferries differ from tourists?; and (5) Do different tourist attractions in the Lake Champlain region cater to a different clientele of visitors?
