To the University of Vermont Community:

It is with great sadness that we share that our colleague, Suzan Comette, passed away on Monday, September 18 following a brief illness.

Sue has worked at the University of Vermont for nearly 25 years. She began working at UVM in 1993 in Telecommunications and Network Services and has been a member of that department her entire career at the University. Sue was an excellent colleague dedicated to tirelessly serving members of the University community. Sue was sincere, kind, and caring to all who knew her. She will be sorely missed by her coworkers in Telecommunication and Network Services and as a valuable staff member at the University of Vermont.

We extend our deepest condolences to Sue’s family. Our sincere thoughts of care and sympathy are also extended to Sue’s friends, co-workers, and others who were close to her. Information about her funeral services and visiting hours can be found at the site listed below.

As is the case when any member of our community passes away, we are bound to feel a profound sense of loss, and reactions are felt in a variety of ways. If you or someone you know is in need of additional support, please do not hesitate to contact Invest EAP at (802) 864-EAPØ (3270) or toll free at 1-866-660-9533 (for employee assistance).
