SUMMARY OF THE STAFF COUNCIL MEETING

June 14, 2011

At June’s meeting, the Staff Council voted to amend its bylaws in support of a Standing Committee Restructuring Initiative put forth by the Council’s Executive Board. The Council approved the May 3, 2011 Meeting Minutes, and several announcements were delivered by Ida Russin, Council President and Jeff Bukowski, Council Administrator.

BYLAW CHANGE - STANDING COMMITTEE RESTRUCTURING INITIATIVE

The Council approved several amendments to its Bylaws, affecting Articles VIII, X, and VI which resulted in a reduction of Staff Council Standing Committees (from eight to four) while improving efficiency and focus. These changes align the Standing Committees with the Council’s mission statement, with the objective of adhering to the University of Vermont’s Strategic Plan and goal for institutional efficacy which says: As an institution, we model the highest standard of ethical conduct, accountability and best practiced public service and strong commitment to lifelong learning. These changes will become effective July 1, 2011.

2011-12 COUNCIL YEAR - TRANSITION

Following today’s vote to approve the Council’s Standing Committee Restructuring Initiative, Jeff Bukowski, Council Administrator, asked Staff Council Representatives whose terms are ongoing to identify their Standing Committee preferences for the coming year (on the handout provided them). He then explained how newly elected Staff Council Representatives will be invited to participate in an orientation session in mid-July, at which time they will be asked to identify their Committee preferences. The deadline for all Staff Council Representative to identify their Standing Committee preference for 2011-12 is Friday, July 15th. Representatives will then be notified what Committee they will be serving on. Each Committee will focus their first meeting in August on choosing a new chair and vice-chair, deciding future meeting schedules, and addressing any outstanding work carried over from the prior year. Training for future chairs and vice-chairs will be scheduled once they are identified.

UVM PRESIDENTIAL SEARCH COMMITTEE - UPDATE

Staff Council officers, President Ida Russin and Vice-President Michelle Smith, reported they are scheduled to meet with members of the Presidential Search Firm following today’s Staff Council Meeting. This one-time meeting with the officers of UVM’s governance committees was called by the Search Firm. Ida expects Susan Wertheimer, Senior Associate Director of Admissions and Staff Council’s Appointed Representative to the Presidential Search Committee, will keep the Council informed regarding the Search Committee’s process when and where appropriate.

Ida relayed how the Staff Council’s Report to the Presidential Search Committee Chair, Robert Cioffi, was very much appreciated. The report provided a detailed list of desired traits, experiences and qualities in the ultimate presidential candidate(s) from Staff Council Representatives. Although a large encompassing list, the items are not intended to be requirements, but rather serve as an instrument by which to consider and measure serious presidential candidates. The Staff Council Report was a governance body response only and provided at the request of the Search Committee Chair; it did not seek
to include information from staff at large. Online survey tools have been created for this purpose. These
are available online on the Presidential Search website.

PRESIDENT’S UPDATE

There are no updates to provide with regard salary increases for non-represented staff. Any decisions
regarding this matter are pending the conclusion of on-going collective bargaining-unit discussions.
Decisions regarding the restructuring of Post-Retirement Medical Benefits are also pending.

Ida reported attending the recent Board of Trustees’ (BOT) Executive Board Meeting where the Board
approved the reallocation of bond funds for deferred maintenance purposes. At this meeting, President
Fogel cited the May 2011 Board of Trustees’ Meeting as perhaps the most significant ever, given the
number of initiatives that were both voted on and approved. These included the General Education
Initiative, the Program Viability Review, the announcement of a financial goal for UVM’s next
comprehensive campaign, and a vote in support of UVM’s newly created Foundation. These initiatives will
provide a great deal of momentum at UVM during President Fogel’s last year in office, while we search for
our next president. Ida then reported several BOT members approached her to let her know they appreciated
her comments at May’s BOT meeting, where she appealed to the Board to consider the impact the budgeted
zero-percent increase would have on non-represented staff, both financially and their sense of value as an
employee. Ida also reported that she appreciated the opportunity to participate in this year’s
Commencement ceremonies and thanked everyone who was able to attend the Staff Council’s End-of-Year
Luncheon on June 7th, sponsored by President Fogel.

The Council adjourned at 12:50 p.m. The next monthly Staff Council meeting will take place in
Waterman’s Memorial Lounge on Tuesday, August 2, 2011 at 12:05 p.m.
