A Note From Staff Council President Beth Walsh

For the past two years I have had the privilege to serve as the Staff Council President. During my tenure the UVM Community has been faced with a number of challenges. From the fallout over the implementation of Peoplesoft to budget constraints as well as a global economic downturn causing layoffs we have all weathered the storm. While the financial situation of the University has begun to take a turn for the better, there is one issue that continues to put our institution at risk, that being Post-Retirement Medical Benefits. Under the requirements of the Governmental Accounting Standards Board (GASB) the University must forecast retirement costs for all employees based on their life spans. This means that each year the cost of Post-Retirement Medical Benefits must be factored into the total net assets of University. According to Vice President for Finance and Administration Richard Cate’s report, given at the Board of Trustees Committee of the Whole on May 21st, this liability has caused a decline of $50 million to the net assets of the University since FY 2008.

It is clear that we must address this issue in order to maintain the University’s financial stability. However, it is important that as we move forward on the formal review of Post-Retirement Medical Benefits that the voices of retired and current employees are heard. How we go about educating our community and finding a solution on this issue is just as important as the final outcome, otherwise we cannot feel confident or comfortable in any decision that is made.

On May 25th, I made a formal request to members of the administration on behalf of Staff Council to request transparency and open discussion on the matter of Post-Retirement Medical Benefits. You can read this request here: [http://www.uvm.edu/~stffcncl/pdf/post-retirementmedicalbenefits.pdf](http://www.uvm.edu/~stffcncl/pdf/post-retirementmedicalbenefits.pdf)

On May 29th, President Fogel sent a communication to the University Benefits Advisory Council (UBAC) which was copied to all Staff, Faculty, and members of the Board of Trustees, indicating that the UBAC would act as the Task-Force charged with reviewing Post-Retirement Medical Benefits. While we believe that the UBAC is made up of competent and dedicated individuals, the need for more transparency and understanding around this issue and from this group is absolutely necessary for all members of the UVM community to feel confident in whatever decision is ultimately made. UBAC meetings must be open to the UVM Community and well advertised.

We understand that this is a very emotional issue and that many of you are worried. In order for Staff Council to better serve you and inform our Representatives on the UBAC as well as advocate for more transparency and open discussion, I encourage you to make us aware of your concerns and question by utilizing our online contact sheet vehicle here: [http://www.uvm.edu/~stffcncl/?Page=onlinecontactsheets.html](http://www.uvm.edu/~stffcncl/?Page=onlinecontactsheets.html) or sending an email to StaffCouncil@uvm.edu. The more we know from you, the better we can work to address this issue.

Sincerely,

Beth Walsh
Benefits – Rita Lemire, Chair

The Benefits Committee did not meet in the month of May.

Communications – Joanne Montanye, Chair

At the Communication Committee meeting Thursday May 6, 2010 we discussed any last minute details necessary for the upcoming Election.
We worked on a preliminary list of simple interview questions for the Spotlight on Staff template; the template is to enable any staff member to interview a colleague for the Staffline about their special interest. It will also provide a consistent size and content format to minimize editing.

It was suggested that both new & experienced representatives would appreciate more information on conducting meetings and using Robert's Rules. More staff may participate in Staff Council if they feel more comfortable with these procedures. A future plan is to compile some information or tutorials to post on the website and include in the orientation packets for new representatives. Mary has volunteered to help Jeff with that.

A new project was proposed: assisting the Staff Council Office to develop a historical retrospective celebrating the Council's 40th anniversary next year. The Office is currently trying to locate historical documents of the early years; the next step is to consult the library archivist.

Employee Environment and Facilities – Michelle Smith, Chair

Due to a lack of quorum, the Employee Environment and Facilities Committee unofficially met and discussed concerns raised around Parking issues as well as the Green Up Day activities on May 1st. The Committee continues to work with Transportation and Parking Services to assist with providing information about parking and transportation to the staff community at UVM.

Education and Professional Development – Todd Stewart

The Education and Professional Development unofficially met in May to discuss its direction for next year. The Mentor Connection recommendation was tabled during the Staff Council Meeting on May 4th due to time constraints following the Presidential and Vice Presidential Election Forums. We expect the recommendation to be reviewed during the June 1st Staff Council Meeting and will be sent to members of the Administration in mid June.
Internal Affairs – Sharon Mone
The Internal Affairs Committee met on May 19, 2010 with Barbara Johnson, Associate Vice President for Human Resource Services (HRS) to discuss Short Term Disability. The Committee wanted to learn more about how it could collaborate with HRS to advocate for the creation of Short Term Disability at UVM noting that it is a significant gap in our benefits that is not met with the current practice of saving up Sick Time. Barbara indicated that work is being done now to look at possible models for possible plans this summer. Once information has been gathered, Barbara agree that the Committee could then play a role in reviewing this data and can provide further information based on questions and concerns raised by staff.

Recreation – Marie Tiemann, Chair
The Recreation Committee had an informal meeting on May 20, 2010 due to lack of members’ attendance. Diane reported that she was able to schedule the bus for the August 14th Montreal Bus Trip for 8 a.m. departure time and return time of 9:00 p.m. We determined the price of the ticket for staff to be $25.00 and nonemployee to be $30.00. The deadline for registration for this trip is July 31st. Kathie reported that the Champlain Valley Fair tickets have increased in price to $7.50. Employees who purchase at least one ticket receive one free ticket (only one free ticket per employee). We then discussed some possible means of recruiting more members for this committee and decided to have an outreach table. Other upcoming events include the Golf Outing on July 30th, a Boston Bus Trip September 18th and a Book Fair in October. The committee plans to address the variables surrounding community service awards and to implement a smoother process for the distribution of the awards.

Rules & Election Committee – Rob Rohr, Chair
The Rules & Election Committee continues to review the Election Policy Statement and is creating an updated version that follows the structure of the Council’s other policy statements. They have all but concluded work on the Staff Council’s Representative Elections Policy Statement and Procedures. They are now working on the Draft Presidential Elections Policy Statement and Procedures. The Committee reviewed the 2010 presidential election methods used by the SCO. The Committee concluded that they were satisfied with the SCO’s efforts to conduct a fair, inclusive and open election. The review confirmed anonymity was preserved, and voter participation was promoted. The Committee also concluded that the SCO’s election software has its limits and agreed to research alternatives.

Salary & Budget – Mary Reilly, Chair
The Salary & Budget Committee met on May 20, 2010 with Diane Freiheit, Team Lead for HRS WorkLife Services to discuss how the Staff Emergency Loan Fund (SELF) can make better use of the financial counseling services provided through the Employee Assistance Program (EAP). The Committee hopes that those individuals who seek multiple loans from SELF may also seek assistance beyond the scope of what the fund can provide. The discussion focused on what information is available to staff through WorkLife Services and EAP as well as how to direct individuals to these services. In the future, all individuals who seek an Emergency Loan will be informed of the services through EAP.
Staff Council Needs To Hear From You!

On May 29th, President Fogel sent a communication to the University Benefits Advisory Council (UBAC), which was copied to all Staff, Faculty, and members of the Board of Trustees, indicating that the UBAC would act as the Task-Force charged with reviewing Post-Retirement Medical Benefits. Staff Council knows how important this issue is to all retired and current employees and we want to hear from you!

Staff Council encourages you to make us aware of your questions, concerns, thoughts, and opinions by utilizing our online contact sheet vehicle at http://www.uvm.edu/~stffcncl/?page=onlinecontactsheets.html or by sending an email to Staff.Council@uvm.edu

The more we know, the better we and our staff representatives on the UBAC can work to ensure that as many voices are taken into consideration during this challenging process.
The Staff Council held its second university-wide election for president and vice president at the beginning of May. Ida Russin (Graduate College) and Michelle Smith (Campus Planning) were elected president and vice-president, respectively. Let’s thank Ida and Michelle for assuming the responsibilities that come with these important offices. They begin their two-year terms as of July 1, 2010.

The Staff Council office reported that there was 20% participation among staff in these elections. Ida received 55% of the votes cast and Eric Hoefel, the other presidential candidate, received 44% of the votes cast. We thank Eric for his efforts and willingness to serve in a leadership position. Eric remains a vital member of the Council as a representative and serves as the vice-chair on the Education and Professional Development Committee.

We recently concluded elections for representatives in several units across campus. There were 19 seats that were either vacant or have representatives whose terms are concluding. Eleven new Council representatives were elected, two representatives were re-elected, and there remain six open seats. All seventeen units across campus are represented and only three are not fully represented. These units include the College of Medicine (3), Student and Campus Life (2), and the College of Arts and Sciences (1).

It is essential that all departments and units have proportional representation, as determined by an annual census. This model, similar to that of the Faculty Senate, ensures representation from across all of campus and increases knowledge of and participation with the Staff Council. We appreciate the efforts of President Fogel and Interim Provost Knodell as they support and endorse our work and thank them for their recent all campus emails encouraging staff involvement in Staff Council.

### Units Still in Need of Representation

**College of Arts & Science**
- One 3-year Representative Term

**College of Medicine**
- **Administration**
  - One 3-year Representative Term
  - One 2-year Representative Term
- **Basic Sciences**
  - One 3-year Representative Term

**Student & Campus Life**
- One 3-year Representative Term
- One 1-year Representative Term

### Staff Council Committees*

There are eight Staff Council Standing Committees. You do not need to be an elected Representative to serve on these committees. The time commitment for each of these committees is approximately one hour per month.

- Benefits
- Communication
- Education & Prof. Development
- Employee Environment & Facilities
- Internal Affairs
- Recreation
- Rules and Election
- Salary and Budget

If you are interested in becoming a member, please fill out our Committee Membership Application or visit our Get Involved page for more information on how to participate.
6th Annual Staff Council Golf Outing at The Links at Lang Farm
( Current and Retired Staff and Faculty are eligible to play )

Date: Friday, July 30, 2010 (rain date is August 6th)
Time: Registration begins at noon, play begins at 1:00pm

Includes
- Greens fees for 18 holes ( carts not included )
- Range balls
- Hors d’oeuvres
- Prizes

*** This year, you will be able to purchase Mulligans for One dollar. ***
All proceeds from Mulligan sales will be donated to the Chittenden Emergency Food Shelf

Register individually, as a two-person team, or a four person team. Play will follow a four-person scramble format. Teams will be assigned at the golf course on the day of play. Each participant must complete a registration form.

Return registration form and check for $32.00 payable to UVM to: Annette Mailhot, Bailey/Howe Library, 656-8035, by noon, Thursday, July 15, 2010. No refunds unless the event is cancelled.

For more information contact Annette.Mailhot@uvm.edu or Jeffrey.Senator@uvm.edu

Montreal Bus Trip ~ Saturday, August 14, 2010

The Staff Council Recreation Committee is sponsoring a day trip to Montreal on Saturday, August 14, 2010. We provide the transportation to and from the city, and you choose what you want to do. The opportunities are endless - wonderful shopping, dining, theatre, museums, sight-seeing.

The bus will leave Waterman parking lot in Burlington at 8:00 am on Saturday morning; we will also pickup passengers at the Collins-Perley Arena in St. Albans. Departure from Old Montreal is scheduled for 7:00 pm with an estimated arrival time of 9:00 pm in Burlington.

In order to cross the border into Canada, you will be required to present a United States Passport, Passport Card or State Issued Enhanced Driver’s License.

The cost is $25 for UVM Employees (including retirees) and $30 for non-UVMers. Complete the form below and return it with your check payable to UVM to the Staff Council Office, 313 Waterman. The deadline for registration is Wednesday, July 28, 2010.

If you have any questions or require accommodations, please contact the Staff Council Office at 656-4493 or by email at Staff.Council@uvm.edu.

The Recreation Committee reserves the right to cancel any event. Deposits will be refunded only if the event is cancelled. Limited space is available and is reserved on a first-come, first-serve basis.

Dr. David Kessler
The End of Overeating: How Does America Take Control?
Monday June 7th, 2010 at 5:15PM in the Ira Allen Chapel
Lecture is free and open to the public

David A. Kessler, M.D. is Professor of Pediatrics and Epidemiology and Biostatistics at the School of Medicine, University of California, San Francisco (UCSF). He was Dean of the School of Medicine and the Vice Chancellor for Medical Affairs at UCSF from 2003 through 2007 and Dean of the Yale University School of Medicine from 1997 until 2003. Dr. Kessler, who served as Commissioner of the United States Food and Drug Administration from November 1990 until March 1997, was appointed by President Bush and reappointed by President Clinton.

Transportation and Parking Services

We are late in starting this year’s on-line application sales due to some enhancement complications within our database upgrade – but it promises to bring a much more “user friendly” experience with improved automation, cutting down on the application process time, e-mails, and phone calls. I work very closely with the Parking Enforcement Supervisor and we will maintain the usual two-week grace period as in previous years, and we will notify UVM e-mail accounts with any further information if this changes. Thanks to those of you who have faxed, scanned, or mailed in your parking applications for us to process from the forms available on our website. Please remember, on-line applications are not for persons who must pay in advance – this is an office transaction and your current permit will not be honored after June 11, 2010. We now accept Visa and MasterCard at our office for your convenience.

On May 17, 2010, the Transportation and Parking Services Advisory Committee (TAPSAC) met and made its final recommendation on the method in which to convert the Jeffords Lot from a Zone Orange to a Zone Green. After examining the statistics pertaining to only the Zone Orange permit holders (date of hires, wait list participants, etc), their recommendation was to offer by date of hire for the top 30 years’ worth of Zone Orange permit holders and fill the remaining spaces starting from the top of the Zone Green wait list for that area. We are in the process of informing those persons affected and providing direction on how to apply for their upcoming permit. This will be done in stages, the final stage being in mid August when we offer eligible persons space in the Jeffords East Lot (formerly called “the spur” lot) which Fletcher Allen Health Care will be vacating effective August 23, 2010.

Customer Service Supervisor

TAKE A WALK

Summer weather appears to be here and we are hopeful it is here to stay for the next few months. The Staff Council Employee Environment and Facilities Committee encourages you to take advantage of this nice weather and think about walking more around campus and at home to improve your health and to reduce your carbon footprint. The WorkLife Balance page provided by Human Resource Services has many great links from area walks to Campus Recreation Classes.

Check out the web page at http://www.uvm.edu/hrs/?Page=healthy/worklife.html
Ken Maskell, UVM Abenaki Outreach Coordinator, understands that the University of Vermont extends far beyond its campus. For nearly the past decade, Ken spends four days during the workweek at Missisquoi Valley Union High School (MVU) located thirty miles north of Burlington in Swanton, Vermont. At MVU, Ken carries out the UVM Abenaki Outreach Program’s mission: to provide support and guidance to Abenaki students, a population that has been historically marginalized. Ken’s investment in UVM’s mission is personal as he is not only Abenaki himself, but has also been an integral part of the Northwestern Vermont community for the past thirty years.

Ken’s dedication and the collaborative effort among UVM, Abenaki Tribal Leadership, the Parent Advisory Committee (PAC), and Jeff Benay, Title V Director of Indian Education, have made a difference. At MVU in the mid-1980’s, forty percent of Abenaki students dropped out by the time they reached ninth grade; this number increased to seventy percent by their senior year with fewer than three percent going on to post-secondary education. Currently, the Abenaki dropout rate is less than three percent, which is lower than the state average. The University of Vermont’s partnership with the Abenaki community of Northwestern Vermont began with the UVM Abenaki Summer Happening Program. Now in its twenty-fifth year, this three-day retreat gives Abenaki students who are interested in pursuing post-secondary education an opportunity to become familiar with UVM’s campus. Realizing that students continued to slip through the cracks and that more needed to be done for this disenfranchised population, the UVM Abenaki Outreach Program was developed.

Spearheaded by the Provost’s Office, under the leadership of Dr. Wanda Heading-Grant, Associate Provost for Multicultural Affairs and Academic Initiatives, this program provides post-secondary guidance with the hopes of bringing more Abenaki students to UVM and other institutions of higher education. This objective is carried out through providing college counseling, navigating post-secondary application processes, and assisting with financial aid as well as monitoring student grades and course selection so that they are on track for their future goals. In his office at MVU, Ken fosters a sense of belonging. He creates a welcoming, caring environment that offers academic support while focusing on culture and education. Students within the program vary in grade-levels, talents, behavioral tendencies, emotional needs, and dreams. Ken tailors his approach to meet the particular situations of every student while making it a point to focus on their strengths. In addition to his work at MVU, once a week, Ken travels to UVM where he provides on-campus support to Abenaki undergraduates, develops educational opportunities for learning about Abenaki culture, and networks with other UVM faculty and staff to form connections for student outings. Ken’s role as a liaison between these two places enables Abenaki students to see UVM as a more viable option than they would have otherwise.

Since the program’s inception, there has been a huge increase in the number of Abenaki students attending UVM and other institutions of higher education. Last year, sixty percent of UVM Abenaki Outreach Program graduates pursued post-secondary education. MVU has seen a significantly low dropout rate as well as an increase in Abenaki student attendance and a decrease in behavioral issues. In addition, the Abenaki community recently received some exciting news regarding MVU being an identified school through the No Child Left Behind Act (NCLB). As a result of high standardized test scores, Abenaki students have been removed as a subgroup from the state’s school improvement status. The program has been recognized by The College Board, receiving the Greenhouse Program Award and being presented with a grant. Seventh Generation, a Burlington company, also financially partnered with the program to support its mission. When asked about these accomplishments, Ken thoughtfully and modestly replied, “This program is volunteer-based, meaning that the students decide to participate. Their assiduity, UVM’s commitment to diversity, MVU’s supportive environment, and the Abenaki community’s investment in their children make all of this possible.”

CONTACT STAFF COUNCIL

Do you have an idea, suggestion or concern you would like the Staff Council to know about or investigate? If yes, consider filling out a Staff Council Contact Sheet to let us know. Contact sheets can be found on our website at www.uvm.edu/~stffcncl/?Page=contactsheet.html

ANNOUNCEMENTS

Do you have an announcement you would like to make in Staffline? If yes, please let us know. Email Staff.Council@uvm.edu

Spotlight on Staff Submissions

As staff members we all contribute something unique and valuable to the UVM community in both our professional and personal endeavors. Have you or someone you know at UVM accomplished something you would like to share with your colleagues? If so, we want to know about it and include it in Staffline. Simply email Staff.Council@uvm.edu with “Spotlight on Staff” in the subject line and tell us about it. We are willing to assist with writing a short piece on your behalf.

Staffline: June 2010
