Once again, many happy graduates, family members, and friends gathered on the University of Vermont campus on May 21st and 22nd to be honored for their achievements. An amazing amount of effort goes into the planning and execution of the many graduation ceremonies and events. Staff all over the university should be commended for representing our institution so well. Our grounds were clean and beautiful, our printed materials were brilliant, the food was delicious, and our students and their guests were welcomed graciously. I can almost hear the collective sigh of staff all over the university signaling once again that the Commencement activities are officially over. Billie Jean King lobbing autographed tennis balls into the audience seemed an appropriate initiation to summer.

Whether you are a nine, ten, or twelve-month employee of the university, summer in Vermont is special . . . and brief. Once we clear our desks of the remnants of Commencement, we seem to immediately shift our focus to the incoming class. This is the nature of the rhythm of an academic year. Seasons come and go, and so do students.

So plant those gardens, pick your summer reading, visit the beach, and allow summer to be restorative. Summer is, as well, a part of the rhythm of the academic year which we must embrace.

Sincerely,

Ida M. Russin
Staff Council President
Staff Council Committee Reports

Benefits – Nelson Sears, Chair

The Staff Council Benefits Committee did not meet in May. The next meeting is scheduled for Tuesday, June 14, 2011 in the Staff Council Conference room, 305 Waterman from 11:00am-12:00pm.

Communications – Joanne Montanye, Chair

The Communications Committee met on Thursday May 5th at 9am in Waterman 305. Most of the large planning pieces for the 40th Anniversary events are in place; we are now working on the smaller elements and final details for the Art Show, the School Supply Drive, the Memory Garden Project and the History Project. Door prizes and publicity materials are also in progress. We reviewed a de-identified list of staff comments from the Staff Council Survey to gather impressions of the most pressing issues for the future, and worked to compile a list of issues to carry forward into the new committee structure. Next meeting will be Thursday June 2, 2011 from 9am-10am in the Staff Council Conference Room, 305 Waterman.

Employee Environment and Facilities–Michelle Smith, Chair

The EEF Committee did not meet in May. The meeting originally scheduled for June 14, 2011 has been canceled due to scheduling conflicts. A possible new meeting date is being discussed and will be updated on the Staff Council website.

Education and Professional Development – Todd Stewart, Chair

The Education and Professional Development Committee did not meet officially in May because there was not a quorum. The next meeting is scheduled for Monday June 13, from 2:30 – 3:30pm in the Staff Council Conference Room, 305 Waterman.

Internal Affairs – Sharon Mone, Chair

The Internal Affairs Committee did not meet in May. Our next meeting is scheduled for Wednesday, June 8, 2011 from 10:30am-11:30am in the Staff Council Conference Room, 305 Waterman.

Rules & Election Committee – Beth Walsh, Chair

The Rules and Elections Committee met on Tuesday, May 17, 2011. Final revisions were made to the Request for Action flow chart, which will be used by the Staff Council Office Administrator and the Staff Council Officers when making decisions on the various requests that the University community members bring to the Staff Council. The Committee will provide input on the Constitution and Bylaw changes that will be necessary if the Council approves the proposed Standing Committee Restructuring plan.

It should be noted that the June 21st meeting of the Rules and Election Committee is likely to be the last meeting of this committee, since the tasks of the committee are slated to be handed over to the Executive Board upon the adoption of the Standing Committee Restructuring Proposal. Many staff members have worked hard to provide the University of Vermont Staff with a strong Council and the Constitution and Bylaws to support it. It is, in fact, because of this fine work that the committee is in a position to hand off the tasks of maintaining the Constitution and Bylaws and of ensuring a fair and just election process. Well done.

Our next meeting is scheduled for Tuesday, June 21, 2011 from 11am-12 noon in the Staff Council Conference room, 305 Waterman.

Salary & Budget – Carol Gross, Chair

The committee met in May and discussed information that was given at the Performance Evaluation Research Presentation given by Nicole Simmons. Nicole was a student intern for HRS who was given the task to identify how performance evaluations were being utilized at UVM. This included how many evaluations are completed and how many are submitted as well as how different departments have adapted the current HRS evaluation form to meet their unique needs. Our next meeting is scheduled for Thursday, June 16, 2011 from 11am – 12 noon in the Staff Council Conference Room, 305 Waterman.

Social – Marie Tiemann, Chair

The Social Committee met on May 19, 2011. We reviewed the upcoming summer month’s events and finalized some of the details. Due to the high cost of having a group trip to Ausable Chasm, we decided not to hold this event. However, attractive discounts to Ausable Chasm are available through the Champlain Ferries. The Great Escape tickets are available again thru the Staff Council office at an attractive discount price. Get ready for Vermont’s biggest family event and get your ticket(s) for the Champlain Valley Fair at a great price. The popular Golf Outing will be held on August 5th and a bus trip to Boston in October is in the planning process. We continued our discussion surrounding the details for the reception during the Staff Art Show being held on September at the Davis Center to celebrate the 40th anniversary of Staff Council. Stay tuned so that you can be sure to schedule time on your calendar to celebrate with Staff Council. Our next meeting is scheduled for Thursday, June 16, 2011 from 12 noon - 1pm in the Staff Council Conference Room, 305 Waterman.
Staff Council at the Board of Trustees Meeting

Board of Trustees Meeting: May 20-21, 2011

Under the authority of the President of the University of Vermont, the Staff Council is charged with listening to, pursuing, and responding to the ideas and opinions of staff employees; conveying these ideas and opinions to the University administration; advising the President of the University (or his/her representatives) on all subjects that affect staff employees; informing employees on issues and policies affecting them. At each Board of Trustees meeting the Staff Council reports to the campus community on the issues affecting staff employees and the current work of the organization.

Staff Council President Ida Russin’s Board of Trustees Report and Additional Comments

The Staff Council provides a report for each Board of Trustees meeting that is prepared by the Staff Council President. This report highlights issues that are important to staff as well as significant accomplishments or initiatives of the Council.

Search Committee for the Dean for the College of Arts and Sciences

In late April, Provost Jane Knodell requested that the Staff Council put forth the names of staff members from the College of Arts and Sciences from which she would choose one individual to serve on the Search Committee for the Dean for the College of Arts & Sciences. The process outlined in the University Manual requires that a staff member from the College or School be included on the Search Committee.

Staff Council would like to congratulate Vincent Pelletier, Director, Language Resource Center in the College of Arts & Sciences who was selected to serve as a staff representative on the Search Committee for the Dean for the College of Arts & Sciences.

VHP Open Access Healthcare Plan

On July 1, 2011, the University of Vermont will transition to a single healthcare plan through BlueCross BlueShield of Vermont. This new plan, called VHP Open Access, will maintain all the coverage and copays associated with the Vermont Health Plan, while adding the availability of a robust global network. After June 30, 2011, MVP Healthcare and the Vermont Freedom Plan will no longer be available through UVM. For more information:

- Read the details of the VHP Open Access healthcare plan on the HRS web site
- Check out the Frequently Asked Questions to better understand the coming transition
- See the Open Enrollment overview that was sent out to the campus community
- If you have questions that are not answered online, e-mail HRSInfo@uvm.edu

Transition to the UVM Open Access Plan

The transition to one healthcare plan is moving forward for July 1, as announced. No action will be required of current BlueCross BlueShield participants who are on the Vermont Health Partnership.

Those on the Vermont Freedom Plan (the typical participant has family members living outside of Vermont) will soon receive a letter from BlueCross BlueShield. The correspondence will give important instructions for naming Primary Care Provider(s) for healthcare that will be accessed in Vermont. (When accessing healthcare outside of Vermont, you do not need to name a Primary Care Provider.)

We are finalizing the details of the transition from MVP Healthcare to the new Open Access plan. We expect to send out information to current MVP participants by both mail and e-mail in the next few days.

Change to Delivery System for Healthcare Materials

All UVM faculty, staff, retirees and their dependents who participate in the UVM healthcare plan will receive new Benefit ID Cards from BlueCross BlueShield by July 1. There will be a change in the handling of other plan documents however, as UVM participates in the Go Green with Blue campaign.

All healthcare plan participants will receive a postcard from BlueCross BlueShield explaining their effort to keep Vermont green by making all healthcare benefits materials available online through their member resource center. The plan document packets that you have normally received in the past will not be sent unless you specifically request one. (If you wish to receive hardcopy documents, simply return the postcard and request them—though we think that most of our community will feel good about saving all that ink and paper.)

Supervisory Learning Series

There is a Supervisory Learning Series summer intensive session (aimed at the ongoing development of first-line supervisors) scheduled from July 25-29. Applications are being accepted through June 24. See the website for more information.

Retirement Savings Plan One-on-One Opportunities

For benefits-eligible faculty and staff who are already involved in the UVM Retirement Savings Plan, individual retirement plan counseling sessions with the vendors are available by appointment. To set up a one-on-one counseling session for your retirement plan, please make an appointment directly with the appropriate vendor. See our web site for contact information.

UVM’s Human Resource Services: Trusted Partner . . . Smart Solutions
Did you serve on UVM’s Staff Council in the 70’s, 80’s or 90’s

If you’ve answered yes to this headline, we want to hear from you! We want to know if you have memories of your Staff Council service and what was accomplished during those years? The 40th Anniversary celebration of Staff Council will culminate this September 2011, during Staff Appreciation Week, with several events and programs. We would very much welcome your input as we research and gather historical data that recall and describe the Staff Council’s earlier days.

To share your memories we ask that you limit your response to 300 words or less. We hope to hear from you on or before July 1st. We also welcome any photos you may want to share with us. We will promise to return them in their original condition.

Please send your responses to the Staff Council Office at Staff.Council@uvm.edu. Feel free to call us with any questions at 656-4493. We look forward to hearing from you.

Wondering About Your Memory?

Who said they were going to bring dessert?
What did I come in here for?
When was I supposed to be at the dentist?
Where did I put those documents?
Why do directions seem more complicated?

If you are a post-menopausal woman between the ages of 50-60 and 70+ and want to help us learn more about memory, you may be eligible to participate in a research study being conducted at the Clinical Neuroscience Research Unit at UVM.

Monetary compensation up to $400.

**IF YOU ARE A WOMAN:**
- Between the ages of 18 and 40
- Plan to conceive in the next year

**AND**
- Have never had a child before

**OR**
- Have had preeclampsia in the past

**OR**
- Have Type 1 diabetes
- Have personal or family history of hypertension or preeclampsia

**THEN**

We would like to speak with you. We are recruiting healthy women who wish to conceive for a study on preeclampsia. Preeclampsia is a disease of pregnancy, associated with high blood pressure and protein in the urine in pregnant women. It can be dangerous to both mother and baby. In this study, we will be looking at the way differences in body function can contribute to the development of preeclampsia.

We will provide you with ovulation detection kits to aid timing your conception. Financial compensation of up to $375 is provided.

**Description:** We stand at a critical moment in Earth’s history, a time when humanity faces significant challenges and opportunities to redirect our course toward a sustainable and desirable future. Colleges, universities, and other institutions must play a critical role in this transformation, not only by training and educating future leaders and supporting researchers in the quest for applied solutions, but also by serving as models of innovative practices and sustainable systems, campuses, and communities. This program offers participants the opportunity to focus on this important challenge, expand their professional network, and learn from leaders in the field at UVM’s award-winning green campus. The program will be led by Debra Rowe, President of the U.S. Partnership for Education for Sustainable Development, Co-Coordinator of the Higher Education Associations Sustainability Consortium, Senior Advisor for the Association for the Advancement of Sustainability in Higher Education, Senior Fellow of Second Nature, and Professor of Sustainable Energies and Behavioral Sciences at Oakland Community College and the Consortium for Education in Renewable Energy Technology.
