A Note From President Dan Fogel

We are moving together down a road to enhanced quality and distinction at UVM that will benefit everyone who works and studies at Vermont's University and everyone we serve in Vermont. I am grateful for the dedicated, enterprising staff of the University. Their talent, hard work, and commitment to academic excellence are keys to our progress on that road.

It will not always be easy. At times there will be challenging departures from “business as usual,” just because we must aim high to hit our mark. UVM’s success will continue only if we build higher levels of academic distinction. To get better we must be very good, and UVM must keep getting better to compete in an increasingly challenging environment. We must work hard to ensure that our programs appeal to capable, diverse students whom economic reality is teaching to be focused on value—on what they will really have to show for their college years.

I am grateful to the staff members who have worked hard in support of our research programs. Last year we recorded a record in grants and contracts--$133 million in awards. The scholarly distinction that brought us those awards is a key to recruiting bright undergraduate, graduate, and professional students to UVM. I am grateful to staff throughout UVM and in central admissions who have worked hard to bring in an entering class with exceptional quality and unprecedented diversity, led by 20% ALANA enrollment in the entering Honors College class. And I'm grateful to staff in many units, led by Conference and Event Services, who have worked to establish UVM as a premier national destination for “green,” ecologically sensitive academic conferencing—a real boost to our quest for national distinction.

These are just three examples from literally hundreds available of staff efforts propelling our University’s advance down that road to excellence. You all have my profound gratitude. Welcome back to a new academic year that I believe will mark further milestones in UVM’s progress, in large part thanks to you!

A Note From Staff Council President Beth Walsh

Greetings!

For those staff members working directly with the students of UVM, this time of year is a crazy, busy flurry of activity ~ preparing for the arrival of the thousands of students and professors who have been absent from our campus over the summer. Some of us, however, work in departments little affected by the school calendar. Our work goes along in its own rhythm and cycle.

Nevertheless, do not imagine that our lives are not touched by the beginning of the fall semester. We miss the life and hubbub of our students and are thrilled to see their return. I am always amazed how one day campus is quiet and empty and the next ~ the first day of classes ~ masses of excited, vibrant students are EVERYWHERE ~ walking to classes, buying their textbooks, greeting old friends and meeting new ones. Being an eternal student, myself, I love this time of year. I love opening my new textbooks and learning about my professors and classmates. WELCOME BACK, UVM!

Although the summer months tend to be a bit slower, Staff Council has been busy throughout the summer and is gearing up at full force for the new Academic year. Our springtime elections have brought several new members to our Council and Jeff Bukowski, the Staff Council Office Administrator, and Diane Trono, the Staff Council Office Coordinator, have been busy providing them with an orientation into our organization. We have also spent time over the summer working on various issues; e.g. parking changes on campus, health benefits, professional development and enrichment, and policy statements to guide Council business.

Over the past few weeks our Committees have come together after their July recess (or July hiatus) to elect Chairs and set goals. We are all excited to begin our work and would like to encourage ANYONE (that’s you) who is interested in making UVM the very best place in the world to work to GET INVOLVED! You do not need to be a Staff Council Representative to be a valuable member of a Staff Council Committee. Please check out our website to see which Committee interests you. (http://www.uvm.edu/~stffcncl/)

While every Unit at UVM has Staff Council Representation, some of these larger units have multiple seats which still need to be filled. College of Medicine, Student and Campus Life, Division of Finance and Enterprise Services, all have open seats as of this writing. If you work in one of these units please contact the Staff Council office to see if you can become a Staff Council Representative. Your voice is important and we would love to help you become involved. Call 656-4493, or visit our website, to find out about responsibilities and opportunities that are part of representing your co-workers. Staff Council has been advocating for UVM staff since 1971. As we enter our 38th year, we would like to become stronger and more effective than ever. With your help, we will succeed.

I am looking forward to my second year as Staff Council President and hope that you won’t hesitate to contact me if you have questions, concerns or ideas. In the meantime, enjoy the return of our students. They are, after all, what it is all about!

Sincerely,

Beth R. Walsh
Staff Council President

Do you have an idea, suggestion or concern you would like the Staff Council to know about or investigate? If yes, consider filling out a Staff Council Contact Sheet to let us know. Contact sheets can be found on our website at www.uvm.edu/~stffcncl/?Page=contactsheets.html
Benefits – Rita Lemire, Chair

At its August meeting, the Benefits Committee elected Rita Lemire as Committee Chair, and Eileen Kristiansen as Vice Chair. It was reported that the issue of increased health insurance benefits for fertility treatment has been passed on to the University Benefits Advisory Committee’s Health Insurance Working Group. The Benefits Committee will be interested to see whether the UBAC decides to pursue this topic in the near future. The Committee also discussed the possibility of researching a tuition exchange program, and decided to see whether the faculty is actively discussing tuition remission and/or exchange. Selected committee members are currently engaged in background research on the tuition issue. Lastly, the Committee heard, but ran out of time to discuss, the recommendation to survey our constituents in order to better understand their needs and interests.

Communications – Joanne Montanye, Chair

The Council Office asked us to consider ways to make the Staff Council more visible, so we discussed avenues of communication on campus, both for us to reach staff and for staff to communicate to us. Also important to that effort seemed to be defining a consistent clear message about the benefits of Staff Council for us to carry to all the staff, and identifying motivation and reasons for staff to contact us. We discussed a variety of outreach methods, with special concerns still being 2nd and 3rd shift employees as well those who work at UVM sites throughout the state or with limited or no computer access.

Education and Professional Development – Todd Stewart, Chair

The Education and Professional Development Committee held its first meeting of the 2009-2010 academic year in early August. The committee reviewed the status of the Technical Training, Staff Mentor Program, and Lunchtime Learning Series initiatives from 2008-2009. Proposals have been sent to Human Resources for the next steps discussions. The committee also brainstormed goals for the coming year.

Employee Environment and Facilities – Michelle Smith, Chair

Michelle Smith will be Chair for the upcoming academic year. One of the initiatives the committee plans to focus on will be partnering with the Office of Sustainability and Recycling and Solid Waste to present "Greening Your Workplace", a brief power point presentation that educates staff about the ways they can help lower the University's carbon footprint. Our committee member Scott Lewins has also been piloting a composting project within his department, and welcomes any questions staff might have regarding the best way to compost food scraps. Please contact Scott (Scott.Lewins@uvm.edu) if you would like to schedule a presentation or if you have questions about composting. We are also working with T&PS and AFS to support the need for enhanced shuttle schedules from the Gutterson Garage to central campus, as well as the safety of bus shelters, and the desire for UVM to become a “pedestrian campus” by continuing to encourage alternative transportation. Please feel free to contact us with questions; we would also love to hear from staff regarding any other issues that we can help support or find solutions to!
Staff Council Committee Reports (cont.)

Internal Affairs - Sharon Mone, Chair

The Internal Affairs committee met in August and elected Sharon Mone of ACCESS to be the new Chair of the Committee. Internal Affairs will continue its work to investigate the topics of Shared Leave Pool and Short Term Disability.

Recreation – Marie Tiemann, Chair

The Recreation Committee met in August and elected Marie Tiemann of University Financial Services as Chair. With the new year, the Recreation Committee is seeking staff members to join their committee to help organize events and activities for staff of a social or beneficial nature. If you’re interested in participating or have some great ideas for events, please join us at our next meeting on September 17th from noon-1pm in the Phi Beta Kappa room, 527 Waterman. The 5th Annual Golf Outing was held on August 8th and assisted in raising money for the Staff Emergency Loan Fund. The committee is currently planning for the September 19th Boston Bus Trip and an upcoming Book Fair this Fall. The committee also discussed looking into possible opportunities to increase staff volunteerism in the community.

Rules & Election – Rob Rohr, Chair

The Rules and Election Committee met in August and discussed the work of the committee last year to assist with bylaw changes, specifically on the work of the Nominating Committee. The overlap of responsibilities of each Council Standing Committee was also discussed and will be looked at the Executive Board level.

Salary & Budget – Mary Reilly, Chair

The Salary & Budget Committee met on 8/20/09. Carol Gross, Business Manager in OBGYN, was welcomed as a new member. Mary Reilly and Eileen Kristiansen were reelected as co-chairs. Members decided to continue the 11-12 noon meeting time on the third Thursday of each month for the coming year. A recording secretary will be elected at the next meeting. Jeff Bukowski reported that the new policies and procedures for the Staff Emergency Loan Program are working well, and the committee extended its appreciation to Jeff for his outstanding work. The committee recommends the standard procedures for the management of gift funds by the Staff Council should be the same as those in place for other units across campus. Our discussion of goals for the year centered on the timeline for our salary recommendations for FY 2011, which will need to be transmitted to the full Council no later than December 1. Barbara Johnson, Associate VP of Human Resource Services has been invited to our next meeting to discuss the process and ways in which we can improve our input. The date will be published on-line when it is set, so that others can attend if they wish to join us. We will also continue to look at ways in which the performance evaluation process can be improved. There was considerable discussion of a Shared Leave Pool, which the committee sees as a salary-related issue and might want to work on in conjunction with the Internal Affairs Committee.
A deposit of $500 is due upon making a reservation.

Fifth Annual Staff Council Golf Outing

The Staff Council Recreation Committee would like to take this opportunity to thank the 34 people who participated in the Fifth Annual Staff Council Golf Outing that took place on the 7th of August at the Links at Lang Farms.

Even though it was not a competitive event, I believe everyone had a good time just being out with colleagues playing a round of golf. I would also like to give a big thanks to the UVM departments, vendors and individuals that so generously donated an item(s) that we were able to give out as door prizes.

Last but not least I would like to give a big thanks to Rose Laba, Jeff Senator, Patty Redmond and Tish Boldwin who helped to make this event a huge success.

Proceeds from the sale of $1 Mulligans during the Event raised $40 for the Staff Emergency Loan Fund.

UVM Horticulture Research Center Apple Sale

The UVM Horticulture Research Center continues a fifty-plus year tradition this season and looks to the future with the 2009 opening of Apple Sales on September 4. Please note that this is one week earlier than previous years. We grow both IPM and Certified Organic fruit at the farm. University orchards are used in research and outreach efforts of Plant and Soil Science faculty that support commercial growers in the state and beyond. The Organic crop will be available only while our limited supplies last. This is the first certified organic crop to be produced from the Hort Farm and is the product of a major USDA funded project led by Plant and Soil Science professor Lorraine Berkett.

- Sales will occur every Friday from September 5 through October from 10:00 AM to 4:00 PM at the farm.
- Available varieties will change each week as the ripening season commences.
- Apple Pricing
  $1.00 per pound for all fruit

For More Information
Please contact Terry Bradshaw at tbradsha@uvm.edu or 658-9166.

Directions to the farm from campus:
The HRC is located behind GE Healthcare (former IDX) and the Heritage car dealerships off Shelburne Road. Follow Spear Street South to Swift Street, take a right at the light. Travel 1.5 miles to the intersection of Swift Street and Shelburne Road (U.S. Route 7). Turn left onto Shelburne Rd. Continue south until IDX Drive. Turn left at the traffic light onto IDX Drive. Travel .3 miles on IDX Drive and turn left onto the Horticultural Research Center access road.

Volunteer Opportunity

Champlain Handicapped Adapted Mounted Program

Champlain Handicapped Adapted Mounted Program (CHAMP) needs willing volunteers to help with riders and horses for our regular group programs, our individual lessons and especially our soon to be announced summer camps. This is a wonderful opportunity to give some time to those children and adults with special needs in Franklin and Chittenden Counties and the Champlain Islands. As volunteers we give these individuals the chance to enjoy a sport that is both therapeutic and fun. Please think about helping us out by putting a big smile on the face of a rider. There are lots of different ways to participate from preparing the horses, horse leading, side walking, horse holding, and a variety of tasks around the barn and arena. If you love horses and helping people you'll love being a part of the CHAMP program. come and enjoy this heart warming experience. Must be 14 and over to help.

If you have teens that need community service for a school requirement we would welcome them to our program. Think about making it a family time to give back to the community.

CHAMP Fall Sessions

Our regular sessions are now three days a week for eight weeks.

Hands On Training Date:
Thursday, September 10 • 6:00pm - 8:00pm

Trail Ride Fundraiser:
Sunday, September 12  (Volunteers needed to serve food and hold horses)

Program Dates:
Mondays, September 14 - November 9 • 11:30am - 4:30pm
Wednesdays, September 16 - November 4 • 11:30am - 4:30pm
Saturdays, September 19 - November 7 • 10:00am - 4:30pm

If you have any questions please call Sue Tebbetts at 802-372-6015 or email Sue4Champ@gmail.com You can also visit our website at VTCHAMP.Org
Do you have an hour a week to invest in the future of a local elementary school student?

**Everybody Wins! Vermont**

is a school-based literacy mentoring organization.

**The program is simple:**

Through our Power Breakfast and Power Lunch programs, adult volunteers are paired with students at local elementary schools to promote reading for pleasure, to build the children’s self-confidence and enhance their self-esteem, and to serve as caring role models. The pairs meet weekly to share books and develop lasting relationships.

We have 4 schools in Burlington (out of 19 state-wide), plus one each in Winooski and Shelburne.
