Staffline Publication Policy

Staffline is a monthly newsletter geared towards University of Vermont (UVM) employees, supported by the UVM Staff Council and produced by the Staff Council Office. As a University affiliated publication, *Staffline* is bound by UVM's Solicitation Policy (http://www.uvm.edu/~uvmppg/ppg/general_html/solicitation.pdf). We work with non profit and commercial entities with a local presence to provide information of a social or beneficial nature about events and discounts for UVM employees. Announcement and/or articles for *Staffline* must be received by submission deadlines. A list of deadlines and past publications are available at <http://www.uvm.edu/~stffcncl/?Page=staffline.html>. The Staff Council Office reserves the right to edit submitted copy and images for grammar, length or space issues.

Those businesses providing a discount to UVM employees are asked to make at least a one year commitment in their discount offering. All discounts are listed on the Staff Council website (<http://www.uvm.edu/~stffcncl/?Page=discounts.html>).

The Staff Council and the University of Vermont do not endorse any one business and provide this information as a service to employees. Use of UVM's Trademarks is subject to UVM's Licensing Policy (http://www.uvm.edu/~uvmppg/ppg/general_html/licensing.pdf) and any unauthorized use is prohibited.
