

UVM PRE-SEED FUND
APPLICATION FORM

Name: _____

UVM address: _____

Phone: _____

Email: _____

Brief description of the invention or technology:
(The description should be specific to the requested fund investment and explain how it emerged from your UVM research.)

Description of the final product:
(Identify the product of commercial interest or application.)

Funds requested *(Include line item budget of direct costs):* _____

Use of funds:

Timeframe and benchmarks:
(Identify specific timeframe to complete the work from this grant and milestones or benchmarks to be achieved within the timeframe.)

Submitted by: _____

Note: By signing this form, you acknowledge that the funds granted will be treated as a patent expense in the Officer's Handbook. This means that income from milestones or royalties (but not investment in bench research) will be deducted prior to distribution of income.
