

AGRICULTURE PROJECTS FUNDED IN VERMONT

by USDA's
Sustainable Agriculture Research and Education (SARE) Program
1988-2015

Vermont has received \$6,998,904 to support 205 projects, including but not limited to, 39 research and/or education projects, 17 professional development projects and 88 producer-led projects. Vermont has also received additional SARE support through multi-state projects.
